

Portable Dance Floor

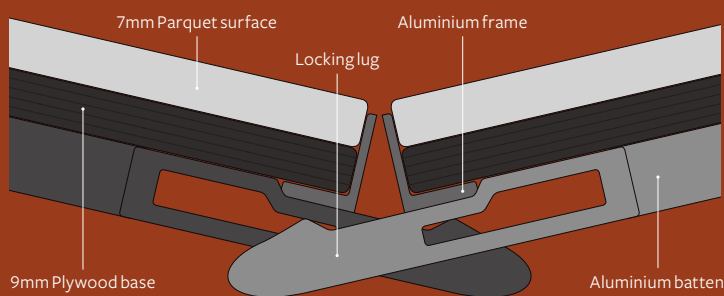

The Florlok® Portable Dance Floor is designed for indoor use. Utilising an innovative brickwork design offering strength ensures that the panels and edges are fully secured. Needing no screws or tools for assembly, laying is quick and easy. For example a 4.57m x 4.57m (15' x 15') can be set up in approximately 10 minutes and recovered in about 8 minutes.

Panels are manufactured with aluminium frames, ribbed battens and 7mm basket or parallel wood parquet. Available in Light Oak, Smoked Oak or Jatoba, top coated with a 100% non-volatile acrylic lacquer. Custom surfaces available on request.

Standing 27mm high and comprising of two panel sizes, 864mm x 864mm (full panel) and 864mm x 431mm (half panel). Full panels weigh 11kg with half panels weighing 5.5kg making them lightweight and easy to handle.

A purpose designed trolley is available for quick and effortless transport and storage. Each trolley holds a 4.57m x 4.57m (15' x 15') complete dance floor and is sized to fit through standard single width doorways.

This portable dance floor is ideal for hotels, restaurants, caterers, companies organising events, shows and weddings.

Portable Dance Floor

Features – Benefits

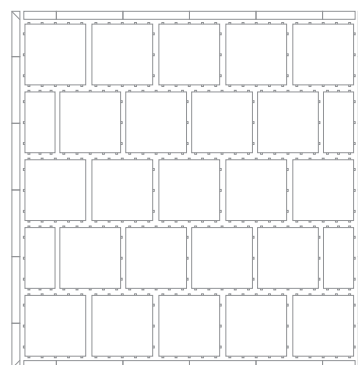

- No screws or tools – quick and easy set up
- Ribbed battens on rear of panels – aids grip on carpets
- Lacquered plywood base – helps against moisture/damp ingress
- Low profile and sloped edging – reduced trip hazard/wheelchair friendly
- Hard wearing, wipe clean surface – low maintenance
- Durable dance floor – good value for Return of Investment (ROI)
- 3 year warranty on manufacture, labour and materials – peace of mind
- Refurbishment service available – extends operational lifetime
- Slim line trolley – fits through standard single width doorways
- One trolley stores a complete 4.57m x 4.57m (15' x 15') floor – compact/space saving
- Fully powder coated trolleys – offers a harder, more durable finish

Specifications

- Dance floor specification:
 - 7mm Light or Smoked Oak parquet or
 - 7mm Jatoba hardwood parquet
 - 9mm lacquered plywood base
 - Lightweight aluminium edging
 - 100% non-volatile UV Acrylic lacquer top coat
 - Non-toxic flooring adhesive
